Revisão Unidade 3.

- 1 - Nesta unidade falamos um pouco sobre música. Abaixo estão alguns estilos de música. Escolha um desses estilos e escreva um pouco sobre o que você entendeu sobre eles.

1. Electronic Dance Music:

Generally referred as EDM, this form of music is produced by DJs who add dozens of tones to a piece to create unique music. You can hear them in clubs or even live, depending upon your accessibility for the same. In the early twenties, electronic dance music was known in the form of Jamaican dub music, the electronic music of Kraftwerk, the disco music of Giorgio Moroder, the Yellow Magic Orchestra and many more.

2. Rock Music:

Originated as “Rock & Roll” in the United States, Rock music has been rocking the world since the 1950s. It is a form of music that started actually around string instruments, but now uses other modern instruments too making it a little difficult to give it an accurate definition. Its loud and strong beats make it popular among the youths. Some of the rock stars who have popularized the culture include Little Richard, Bill Haley and Chuck Berry while rock bands like Pink Floyd, The Doors, Metallica, Nirvana and Megadeth are the modern bands who have taken the culture by storm.

3. Jazz:

Identified with swing and blue notes, Jazz has its roots both in the West African and European culture. It is said that Jazz is “One of America’s original art forms” and boasts a unique combination of creativity, coactions and interactivity. Originating in the late 19th to early 20th century, Jazz has also played an important role in introducing the world to a number of women performers like Ella Fitzgerald, Betty Carter, Abbey Lincoln and Ethel Waters.

4. Rhythm and Blues:

Vocalists like Rihanna, Mariah Carey, Beyoncé, Usher and the legendary Michael Jackson have all made it huge in the music industry with their love for this form of music. Originated in the 1940s, this African-American music is a combination of hip hop, funk, dance, pop and soul focusing on themes like relationships, sex and freedom .

5. Techno:

You may have listened to a number of techno music while clubbing, but it is Detroit techno that is considered to be the foundation of this form of music. Unlike the days of its emergence, the use of technology today has greatly enhanced the quality of techno style music and popularizing it among people day by day.

6. Country Music:

Another popular genre of American music which originated in the 1920s, Country music has its roots from American folk and western music. It is formed using simple forms of instruments ranging from electric and steel guitars to drums and mandolin or mouth organ. Some very popular country music singers include Shania Twain, Johnny Cash Taylor Swift and Kenny Rogers.

7. Electro:

A perfect blend of hip hop and electronic music, electro or electro-funk uses drum machine, vocoder and talkbox helping it to distinguish itself from another similar form of music, Disco. Notable artists who have been into this form of music include Arthur Baker, Freeez, Man Parrish and Midnight Star.

8. Pop Music:

“Pop” is a term derived from “Popular” and thus Pop Music is known to be a genre of popular music. With its roots in the rock & roll style, this form can include any form of music ranging from urban and dance to rock, country and Latin. Instruments highly used are electric guitars, synthesizer drums as well as bass and one can listen to this form of music by listening to songs by

Britney Spears, Madonna, Beyonce Lady Gaga and of course the “King of Pop”, Michael Jackson.

Escreva o Ritmo que você escolheu e faça um pequeno resumo em inglês sobre ele.
